Impala

The Impala collection is Flocktex's most reputable fabric which achieves over 250,000 Martindale. It is a substantial fabric, that is leather-like in both look and texture, but without any drawbacks to its strength, clean-ability and comfort as it remains anti-stain, scratch-resistant and breathable.

Why Choose Flocktex?

50 years of unmatched fabric quality and exceptional customer service you can rely on.

Stain-Free performance fabric

Flocktex merges advanced Stain Resistant Technology with premium, fashionable interior fabrics, offering effortless maintenance and sustained quality in appearance and texture. Our diverse selection of performance fabrics boasts a luxuriously soft feel, available in a wide range of exquisite patterns and colors.

Our Flocktex textiles are meticulously engineered for comfort, making them an ideal choice for any decor. They feature a gentle feel and come in various styles, seamlessly integrating with any interior. Thanks to the stain-fighting capabilities of our Flocktex fabrics, their resilience extends well beyond cleaning and frequent use. Easy removal of common accidental stains is just another benefit, enhancing their practicality and appeal.

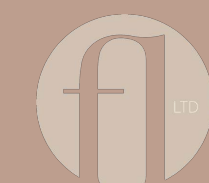

The easy-clean features of Flocktex fabrics ensure your peace of mind. Ideal for families, pets, and even professional settings, our fabrics are crafted to withstand the rigors of both home and commercial environments.

Crafting Excellence Since 1976

Since our inception in 1976 by visionary founder, and Chairman Mayer Zeiler, Flocktex has been at the forefront of fabric innovation. With almost 50 years of expertise, we produce high-performance fabrics that set the benchmark in the industry. Our renowned Impala Collection is globally celebrated as the pinnacle of performance fabrics.
